

This responds to the RFAI dated February 24, 2006 to the Synergy Political Action Committee ('the Committee') concerning the Committee's 2005 Year-End Report.

Please be advised that the Committee pays for, and fully discloses, all of its administrative expenses. The Committee has no office or salaried employees, and thus does not incur expenses such as rent, utilities and salaries. The Committee pays consultants to perform services on its behalf. Specifically, the Committee retains Lori LaFave to provide fundraising services, and The Waverly Group, Inc. to provide PAC management, administrative and FEC reporting/compliance services.

The Committee has, and will continue to pay for, and fully disclose, all of its administrative expenses.

Also, please be advised that the Committee will shortly file an amended 2005 Year-End Report which will include previously-missing employer and occupation for itemized contributors.

Please call Leslie Kerman, the Committee's Assistant Treasurer, at (571) 633-9741 if you have further questions regarding this matter.
